

Dude up for baby

Fatherhood is one of the biggest changes in a man's life. Take this dadpreneur's advice so your partner will be prepared!

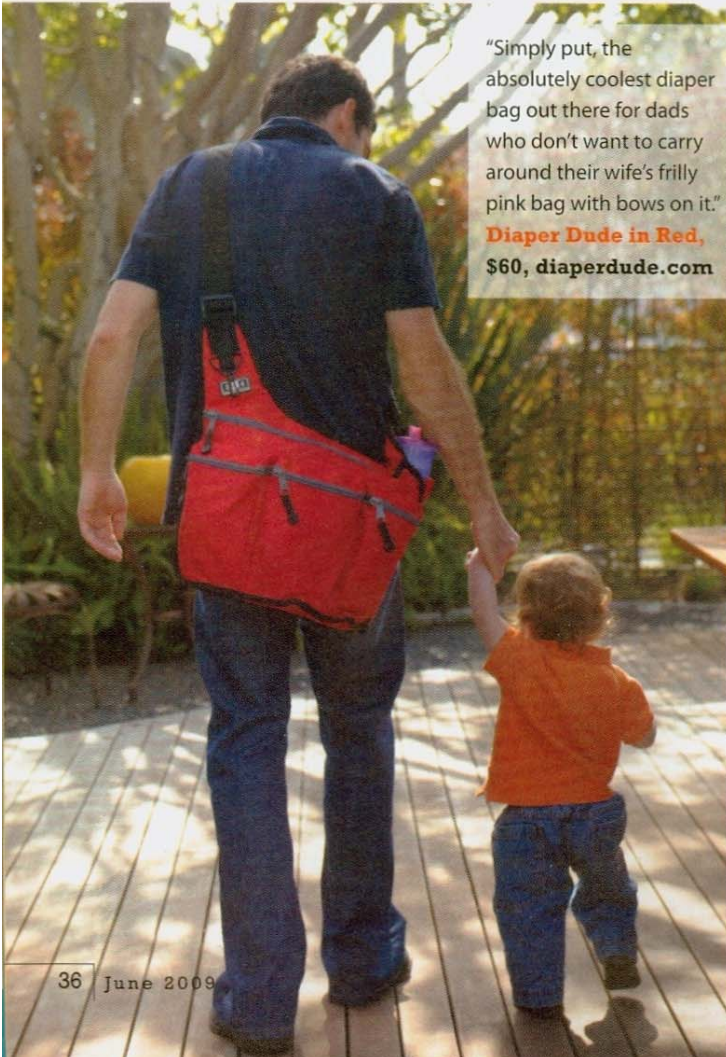

Chris Pegula, the founder of Diaper Dude, created the original bag for dad that has both functionality and style. He continues to crank out must-have gear as well as offer up much-needed dad advice.

"Come on, matching *anything* for dads and kids is just priceless! I have matching hats for my two sons and me, and we wear them all summer long." **Goorin Brothers Hats Oliver and Buster**, \$38 and \$25, goorin.com

"The Baby Björn helps make everyday life easier for parents and kids alike, and it's made with outstanding quality, safety, and style. This one features cool fabrics that make it an even more comfortable ride for baby." **Baby Björn Air Baby Carrier in Gray**, \$100, csnbaby.com

"Simply put, the absolutely coolest diaper bag out there for dads who don't want to carry around their wife's frilly pink bag with bows on it." **Diaper Dude in Red**, \$60, diaperdude.com

"This is the Rolls Royce of strollers and a necessity for every dad. Your wife will be stoked you're getting so much fresh air with Junior, and the girl behind the counter at Starbucks will be impressed." **Bugaboo Bee in Red**, \$530, buybuybaby.com
